Things are happening in Naujan. The babies are growing, and the paperwork is flowing.

Visiting Nurse Practitioner Dennis and Nurse Amy provide physical check-ups for each child.

Amy appears to enjoy her time hanging out with the children. She was also able to assist the local staff in learning valuable care giving skills.

Al gives the ever-popular “dad time” to the kids. “J”, our oldest child on the left, has a prospective family filling out the adoption paperwork. Pray for a speedy process!

One very sweet girl.

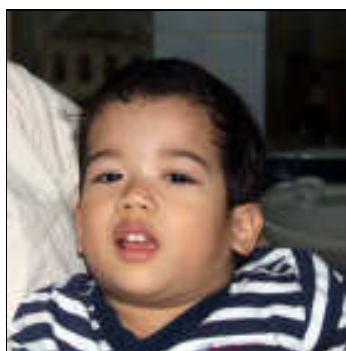

How can you resist this girl??!!

Many times we are able to give temporary shelter to siblings, as is the case with these two above. The biological father is presently in jail; the mother is emotionally unstable and searching for a job.

We were thankful for a donation of toys from Pia, our friend from PMA Pohnpei. Thanks for the new fun!

Baby Z is doing great at his new facility for Special Needs children. A family has started the paperwork to adopt him. Pray that all roadblocks to this process would disappear!

This is Angie, our social worker. Pray for her strength

to face the challenges of government red-tape, caregiver issues, and travel between Naujan and Manila.

Bahay Kalinga Orphanage is a ministry of Pacific Missionary Aviation – Philippines. It is located in Naujan, on the island of Oriental Mindoro. Any financial donations may be sent to the headquarters in Guam (address listed above). PMA is a member of the EFCA. Our website: www.pmapacific.org

Thanks for your continued interest in caring for these children!
