

Bahay Kalinga Team

We are thankful to God for our Team at BK. Caregivers, Social Worker and our Medical Team: Dr. John and Geneziel. Each of them cares for our children like their own. The children grow in health and strength – body, soul and spirit. Praise the Lord!

Our Children

As of this date, we have 5 children ready for adoption and the rest are for temporary shelter. Not included in this picture are two of our children in other care facilities. To date, we have served 180 children!

The Twins

They were given to us for temporary shelter. 6 months became a year. Finally, they were released to their parents – healthy and strong. However, during the follow-up visit, our Team found them weak, could not walk, malnourished and with severe respiratory tract infection. They were surrendered to us finally – now, look at them! So healthy and beautiful and ready for adoption! Praise God!

PRAISE AND PRAYER REQUESTS

- Praise God for His faithfulness. For safety, protection, good health of our BK staff and children.
- Praise God for our partners who continue to pray and support us in this important ministry.
- Our Lease on the BK property will expire next year. Please pray for the long-term extension thereof.
- Pray that our children who are ready for adoption will find loving, caring and godly parents and family.
