MARCH 2023

Dear Praying Friends and Faithful Partners,

“The law of the LORD is perfect, reviving the soul; the testimony of the LORD is sure, making wise the simple.” Psalm 19:7

How I praise and thank God for His Word – perfect, encouraging, life-giving, making wise the simple, directing, reviving, rebuking, admonishing and leading us to righteousness. What makes this so amazing is that our Lord Jesus Christ is the Word Himself, made flesh and dwelt among us and gave His life that those who place their trust in Him would live! We thank God for the Word that does not change and is just and righteous and yet gracious to forgive us our sins when we come to Him in repentance. Yes, the Word, Jesus Christ has our best interest at heart and we can trust Him for our well-being.

GUAM. February 21, Amos Collins and Dave Kendrick flew to Guam with the King air out of Yap. We thank God that they arrived safely. They will be taking an FAA flight check here on Guam and we pray that they will pass this with flying colors! I will be off-island on the 24th, so I don't get to know until after this letter has been sent out. But will keep you all posted.

PHILIPPINES. Pastor Narciso who pastors our churches in Jomalig, Casuguran, Apad and now Bukal has yet another praise. Every Monday, he meets with the Philippine National Police for “Values Training” using the Word of God to impart God-honoring values and directives on how to live life. The government has decided to do this as men and women trained under the Word of God lead righteous lives and have a positive influence to the community they are assigned. As Paul said to Timothy: *“For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come.” 1 Timothy 4:8*

BAHAY KALINGA ORPHANAGE, MINDORO OR. PHILIPPINES. How we thank God that He has raised a Social Worker to replace the one who had to leave. Please pray for traveling mercies for her as she goes from her home place to BK. Pray for her steadfastness and commitment as she serves the children and performs her work with excellence as unto the Lord.

PALAU. “There are two things we wanted to share with you that we are very excited about,” shares Justin and Addison Vaughn. “On December 9th, Annabelle prayed to have Jesus in her heart! Thank you for praying for her to fully understand and grasp the gospel. It was such a beautiful night. Afterwards, she asked if she could pray by herself and she said “All the angels in Heaven are having a party,” and the first thing she said after praying was that she wanted to tell Alice (her sister) in the morning how to have Jesus in her heart, and the rest of our family, and the whole world. Praise God and we pray she never loses the fire for wanting others to know the

gospel! Secondly, we wanted to share with you the direction the Lord has been taking us. Our time here in Palau is coming to an end next month, and we have been more intentionally praying over the last several months about where God wants us serving after our internship is done here. We wanted to share with you that the Lord, over many months and prayers and speaking with others, has been slowly leading us to a missionary aviation organization in Florida called MFI (Missionary Flights International).

Here is what **Brock Welge**, Palau Station Manager says: “Having Justin and Addison Vaughn in Palau for the internship is such a blessing for the ministry. It has allowed PMA to grow and reach more people.” Please pray for the Vaughns as they follow God’s leading in the next part of their journey, this side of glory.

YAP, MICRONESIA. One of the challenges we have in keeping our flight operations going is keeping our pilots current. Every year we have to go to the US for Simulator training and every 6 months we have to fly our plane to Guam to stay current on our IFR approaches. It is a big expense and a big ordeal, but once it’s over we can breathe a little easier. Dave Kendrick and I are finishing our training this week and head up to Guam next week for our check rides. **From: Amos Collins**

POHNPEI, MICRONESIA. Before Christmas we were hosting the Operation Christmas Child program sponsored by Samaritan’s Purse. Several thousand shoeboxes were distributed in churches all over the island along with explaining the Gospel message to children. Our church member Mary is an elementary school teacher and I assisted her in her school where she got permission to teach the program to 480 children. At the PMF Pohnpei church, we are now hosting 6 Saturdays for the follow-up program “The Greatest Journey” and it is wonderful to see how many children and parents are making good use of the invitation. Children of ages 5-12 are taught the story of salvation in thorough lessons and our Sunday school teachers are active and engaged in this additional ministry. As a team, we enjoy the children’s eagerness to learn about God and His story with the World. **By: Sabine Musselwhite**

The Word of God is the One that has kept us, as missionaries focused on His calling. God’s Word has enabled us to press on, through challenging circumstances and people, keeping us steadfast, immovable, and abounding in the work of the Lord because we know our labor is not in vain in the Lord. (1 Corinthians 15:58) Thank you dear prayer partners and supporters you encourage us persevere in serving others to bring hope and change lives!. God bless you more!

In Him we live and move and have our being,
